6:15-6:45	Preschool Advanced
6:45- 7:15	Level 1

If your child is under the age of 7 the parent or guardian must remain in the pool area at all times. Thanks!

All Classes must have at least 3 participants to hold the class.

Sanford Wellness Aquatics believes that ALL children enrolled in swimming lessons have the right to safely learn to swim. Children that are unable to safely participate in a class or children that are distracting from the learning environment will be given three chances to correct their behavior. If the child is still unable to be successful, the child will be asked to sit on the edge of the pool for a short amount of time. Parents are encouraged to assist in correcting their child's behavior during this time, but should not interrupt the class. Parents with concerns are encouraged to talk to instructor about their child before/after class if the instructor is available or schedule a later time for discussion.

Thank you for your cooperation in ensuring the best learning environment for our students.
